## Crime in the Computer Age

### Rochester Police Join NCIC Network

The scenario is a typical day in the life of a Rochester policeman.

A speeding motor vehicle is pulled over on Route 105. After encountering the somewhat nervous driver, the officer returns to his car and calls back to the station to check on his prior record after feeding the dispatcher his plate number, name and registration.

Seconds later, the dispatcher radios back to the officer that the driver is wanted for felony and assault with a dangerous weapon in New York. The officer is able to call for backup before apprehending the suspected criminal, thereby ensuring a safe arrest.

If it were not for the introduction of a now-common technological element in this scenario, things could have turned out very different ... to the point of endangering the life of the officer, the driver, or both.

An online computer network which directly links the Rochester Police Department and Communications Department with two criminal investigation services has finally been installed and is in full use in the town. The computer is linked via a telephone/modem device to the National Crime Information Center (NCIC) and the Law Enforcement Agencies Processing System (LEAPS), allowing the officers and/or dispatchers to access immediate and updated information on a person's background, motor vehicle history, and any outstanding criminal offenses.

The purchase and installation of the NCIC computer system — as it is commonly called — was approved some two years ago by Rochester Town Meeting voters. But it wasn't until last week that the system was temporarily placed in the under-renovation Communications Center where it can be put to full use. Officers Bill Protami and James Wassmouth have taken on the task of training all eleven civilian dispatchers currently employed by the town in the proper use of the police-controlled informational network.

"Right now we're in the process of training all the dispatchers in the correct use of the (system)," Officer Wassmouth said. "Although they'll be using the computer, it still falls under the jurisdiction of the Police Department."

The network is able to feed important information to the police department on the local,

state and federal level. The NCIC system provides any pertinent information which would be available via a person's local police department or as part of their Registry of Motor Vehicles records. The LEAPS system is controlled by the Federal Bureau of Investigation (FBI), and provides information on outstanding warrants and federal crimes.

The NCIC computer was initially installed in the Rochester Police Department trailer back in June of 1994, but Officer Wassmouth noted that it wasn't of much use there since the dispatchers who remain in contact with the officers on duty remain housed in the Communications Department. In order to use the system to its full capacity, both Officer Wassmouth and Officer Bill Protami requested permission from the Board of Selectmen to move the computer into the Communications Center and begin "hands on" training of the town dispatchers.

With the Selectmen's blessing and the approval of the state NCIC representative, the move was made last week and dispatcher training has been ongoing since.

"It's really a matter of safety for (our police officers)," Officer Wassmouth said in requesting that the computer be moved. "We recently apprehended a person who was a suspect in a domestic shooting. Had we been able to use the NCIC system, we would have been better prepared to handle the situation."

Although Rochester was previously able to rent the use of Wareham's NCIC computer system and share information on the same radio frequency, Officer Wassmouth noted that during the summer

months, there would be a bit of a delay in getting information.

"It worked out okay some of the time, but during the summer they get pretty busy (in Wareham)," Officer Wassmouth said. "It took some time for us to get information, and it was holding us up."

Now the Rochester officers can get immediate information by communicating directly with their own dispatchers.

The computer is now temporarily located in the town's combination Fire/Communications Department. Officer Wassmouth said that when the renovations to the Communications Center are complete, the NCIC system will again be moved to the new dispatcher's desk, cordoned off behind a wall and plexiglass window where it can only be viewed by official personnel.

## Mattapoisett Selectmen's Meeting

*February 7, 1995*

A meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, February 7 at 7:00 pm by Chairman John N. DeCosta, Jr. Also present were Selectman Daniel O. Mahoney, Selectman Paul E. Lambalot, and Executive Secretary Carol Adams.

After approving the minutes of the January 31 and February 1 meetings of the board and signing the treasury warrant for the week, Chairman DeCosta noted that a Special Town Meeting will be held on Monday, February 13 at 7:30 pm in the auditorium of ORR High School.

Under incoming correspondence for the week, the board received a notice that the Coalition for Buzzards Bay will be holding its Annual Meeting on Thursday, March 2 between 4:00 and 6:00 pm at the Whaling Museum in New Bedford. The guest speaker for the event will be John DeVillars, Administrator of Region 1 of the U.S. Environmental Protection Agency and former Massachusetts Secretary of Environmental Affairs.

The board next received a copy of the minutes of the February 2 Veterans Executive Council Meeting. According to Chairman DeCosta, it was voted at the meeting to reduce the weekly office

hours for the Veterans' Agent from 20 hours to 16. The office will therefore be opened on Tuesday and Thursday, from 8:30 am to 2:00 pm, and on Wednesday from 8:30 am to 1:30 pm.

The Council also voted to increase the annual salary of the Veterans' Agent by 5 percent to \$5,153.09, and increase the salary of the Veterans' Clerk by 5 percent to \$8.93 an hour (\$9,287.20 total).

Andrew Lynch of the ORR School District sent a memo to the board advising them that after discussing the matter with Jim Anderson from the Department of Education, he was advised that the Commonwealth of Massachusetts has never defaulted in meeting their responsibilities on any approved capital project (referring to the repairs completed on ORR High School).

Fire Chief Ronald Scott sent a memo to the board advising them of two Hazardous Materials Awareness Classes which are being held on February 10 and February 24 at the Fire Department on Route 6. All town departments are invited to attend.

Peter L. Foster, Corresponding Secretary for the Mattapoisett Lions Club, next sent a letter to the board requesting permission to use Shipyard Park and the town wharf area for the Lions Club's Annual Triathlon race on Sunday, July 9. Selectman Mahoney moved to grant permission to the Mattapoisett Lions Club for this purpose, pending the approval of the Police Chief, which was passed via unanimous vote.

The Lions Club also requested the use of the same areas for the Annual Harbor Days festival, to be held on the weekend of Friday, July 14 through

Sunday, July 16. The board unanimously approved the request with the same stipulation.

The Buzzards Bay Action Committee sent notification of a Stormwater Management Workshop which is being held on February 9 at Antone's Restaurant in Mattapoisett. Ms. Adams noted that Water/Sewer Superintendent William T. Nicholson will be attending the workshop.

Lastly, Selectman Mahoney cited a memo from the Mattapoisett School Committee advising them that they have voted to establish an Elementary School Building Needs Committee, to be comprised of the School Committee, the current members of the Board of Selectmen, and three to five interested townspeople. Those interested in serving on the committee should send a letter of interest to the Superintendent's Office (135 Marion Road, Mattapoisett, MA 02739) by February 15. Applicants will be interviewed on February 16 at 7:00 pm at Old Hammondtown School.

Under the Executive Secretary's Report, Ms. Adams reminded the board that they need to consider appointing people to sit on the Senior Center Committee. Chairman DeCosta noted that he would like recommendations from Evelyn Pursley, the President of the Council on Aging, before making any final appointments. His fellow Selectmen agreed to wait until Ms. Pursley made some recommendations.

Ms. Adams asked if the board had any notion as to whether or not they will decide to place a non-

binding public referendum or opinion question on the next town ballot/warrant, upon a request from resident Brad Hathaway. "I really haven't given it much thought," said Selectman Lambalot. "I'd like to wait one more week until I have a chance to make a final recommendation."

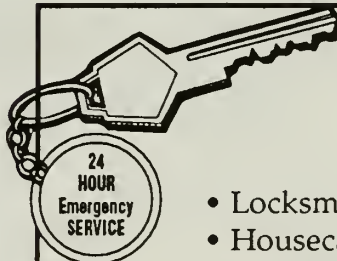

The board did come to the conclusion that the question would probably appear on the Annual Town Meeting warrant or election ballot where it would garner more interest.

"I don't think it will hurt to hold if for the Annual Town Meeting," said Selectman Mahoney. "It will certainly get more attention that way."

At 7:30 pm Fire Chief Ronald Scott came before the board to discuss some concerns he has about one of the department's pumper/tankers. According to Chief Scott, Engine 4 is in desperate need of repair and/or replacement.

"We ran it on Saturday in the (snow) storm, and when we brought it back to the station, it leaked water all over the floor," Chief Scott said. "Right now we've got 1,000 gallons of water on the station floor."

Chief Scott added the problem escalated after another run took place earlier that day, causing the

tanker to leak even more.

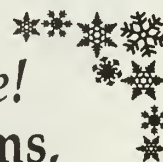

"Right now, we can use (the pumper) if we connect it to a hydrant," Chief Scott said. "But the tank is porous and is leaking steadily."

Chairman DeCosta asked Chief Scott if he could look into the costs involved with repairing the engine and/or replacing the pump and tank units. "Have someone look at it and let us know about how much it will cost," he said.

Chief Scott said he was looking for guidance from the board as to whether or not it would be worth repairing the vehicle — which was last repaired in February of 1992 — or find a replace-

ment. "The tanker's rear end is in rough shape," he said. "I'm not even sure if it's worth fixing the pump at all."

Selectman Mahoney suggested that Town Mechanic John Bowman look at the pumper and report back to them with related costs. He also asked Chief Scott to look into both repair and replacement costs.

"We had some specs prepared two years ago when the pumper first needed work," Chief Scott said. "The estimate for a four-wheel drive, off-road pumper/tanker is about \$150,000."

With the department currently looking to replace its Rescue Truck, Chief Scott said this would place an additional burden on their budget for fiscal 1996. "Hopefully we can come up with the money to purchase a new Rescue Truck within a year," he said. "But we'll be faced with another problem if (either truck) is a foot or two longer. Right now, we can barely close stall door at the station."

Chief Scott suggested they may have to look into potential expansion options at the Fire Station if this comes to pass. Again, the Selectmen suggested he prepare an outline of what needs to be done and/or purchased for the department, and put everything in order of priority.

At 8:10 pm, the board met with the Finance Committee, Town Accountant, and Town Moderator to review the articles for the upcoming Special Town Meeting warrant. Upon completion of this task, they would adjourn for the evening.

### **Rochester Selectmen's Meeting February 6, 1995**

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, February 6 at 7:00 pm by Chairman David L. Hughes. Also present were Selectman Lorraine Roy Hawkes, Selectman Michael Murphy, and Administrative Secretary Shirley A. Ferreira.

After approving the minutes of the January 30 meeting, with some minor corrections from Selectman Murphy and Selectman Hawkes, Chairman Hughes opened a Pole Hearing upon the request of Com/Electric and New England Telephone for a joint pole installation on Alley Road. As there were no abutters present to object to the pole location, the request was approved via unanimous vote.

Under incoming correspondence for the week, the board received an update on local municipal aid from the Massachusetts Municipal Association (MMA). The update urged local officials to contact their legislators to request an "Early Resolution on Local Aid" in response to Governor Weld's filing of the new state budget.

Among the monies to be earmarked in the request: \$51 million in unrestricted lottery aid; \$195.9 million in direct education aid; and \$477 million in

the Additional Assistance line item.

The board next received a request from the Rochester Boy Scouts of America Troop #31 for an allocation of \$200 from the town's Maxim Fund to assist in the funding of various troop activities over the next six months. Writing on behalf of the Troop, Victor Bucchere noted "Rochester's Boy Scouts have not made a request of the Maxim Fund in recent history."

Upon Chairman Hughes' noting that there is enough money in the account, the board unanimously voted to allocate the request \$200 to the Rochester Boy Scout Troop #31.

The board received a detailed memo from Town Accountant Claudette Coutu regarding unpaid bills submitted to Fire Chief Joseph "Duffy" Clapp for recent renovations at the town's Communications Center and also unpaid Fire Department and Payroll bills. According to Ms. Coutu, both she and Ms. Ferreira have requested bid results from the construction being done at the

Communications Center from Chief Clapp. Neither have received a response in two weeks.

Ms. Coutu noted that she is still holding hours for Ward Benner, material bills from Olde Rochester Construction for windows, Edwin L. Morse for lumber, and Ron Beaulieu for the heating system. "Duffy had them for at least a month before submitting to my office and I have been holding them for two weeks waiting for the information on the results of the two bids," Ms. Coutu wrote. "It is necessary for these people to be paid as soon as possible."

Ms. Coutu went on to note that Chief Clapp agreed to submit the Fire Department payroll hours from October 1 through December 31, 1994 back on January 17. She still has not received this information. Likewise, outstanding invoices for Boston Coupling (dated October 17), Plymouth County Fire and Rescue Training (dated August 1994), Barnstable County Training (dated November 1994), and Conway Associates (from May 1994) are still pending payment.

"I think I've said before that if something isn't done, we'd have to take this matter into our own hands," stressed Chairman Hughes. "Tonight, I'd like for (the board) to send Chief Clapp a letter asking that these matters be take care of *this week*."

The board seemed to be in agreement with this, although Selectman Hawkes felt that sending another letter wouldn't resolve anything. "Sending (Chief Clapp) letters in the past hasn't helped," she said. "What's the next step? Are we going to do his job for him?"

Chairman Hughes agreed that immediate action needed to be taken. "The situation now is totally out of hand," he said. "Nothing seems to be getting done. We allow him 20 hours a week ... and things still aren't getting done. The Communications Center is at a standstill ... and we're at the point now where people have done work and haven't been paid for it."

The board unanimously agreed to send a letter/memo to Chief Clapp and ask that he settle all of these outstanding matters by next Monday (February 13).

"I think we've got to tell (Chief Clapp) that if the job is too much for him, he should let us know and we'll find someone else to do the job," Chairman Hughes said. "I think we need to get this matter resolved once and for all."

The board next signed and unanimously approved the following general license renewals for 1995: Walter Skotchdopole of Dexter Lane for an Art Gallery and Antique Shop, set to expire December 31, 1995; and Alice Chase d/b/a Wheelgate Antiques on Rounseville Road, for the sale of antiques, expiration December 31, 1995.

Under Old Business, Selectman Hawkes noted that she met with the Veterans Council last week and, as a result of Mattapoisett's turning down the budget as submitted, the final allocation needed

to be amended. The board first voted to rescind their initial allocation, then Selectman Hawkes moved the new total budget line item amount of \$6,291.42, which was passed via unanimous vote.

The reduced amount meant the total number of hours the Veteran's Office would be open each week would be reduced from 20 to 16, but Selectman Hawkes assured the board that this still met the minimum state criteria for service. New hours for the Veteran's Office will be posted upon approval of the new budget.

Chairman Hughes asked Selectman Hawkes if she could prepare two versions of the proposed Police Department budget — one reflecting the

receipt of a COPS FAST grant to cover the salary of one full-time officer, and the other in the event that the grant is not approved. "I'd like us to prepare the budget both ways, and hope the grant comes through," he said.

Chairman Hughes also asked that Scott Ashworth prepare some figures for the Emergency Medical Technicians (EMT's), so the board could finalize that budget and possibly plan for the addition of a couple of new EMT's who have expressed interest in joining.

The board briefly reviewed the town's recent financial statement prepared by the accounting firm of Rodrigues, Guckin and Tobojka. Selectman Hawkes noted that she felt their characterization of the Board of Selectman as governing all town budgets was incorrect. "It states that we oversee all the budgets, and that's not true," she said. "We only oversee the budgets of those (boards and departments) we appoint."

A correction noting that the Finance Committee oversees all town budgets was to be sent to the accounting firm for final approval. Chairman Hughes said he would like the statement signed and approved by next week so Town Treasurer Doris Boucher could apply for a bond rating.

Chairman Hughes asked his fellow board

members to begin considering a town resident to whom they could dedicate this year's Annual Town Report. Ms. Ferreira also reminded the board that they are scheduled to meet with the Finance Committee on February 27 to make a final review of the budgets for fiscal 1996.

Lastly, under Personnel Board business, the board unanimously voted to make a classification change for Communications Department employee Kim Eldridge, setting her salary rate at \$8.40 an hour.

There being no further matters to come before the board, they voted to adjourn for the evening at 7:40 pm.

## Engagement Announcement

Mr. and Ms. Alfred J. Peccini announce the engagement of their son, Thomas James, to Ms. Ioanna Georgiou Xenopoulou, daughter of Mr. and Ms. George Xenopoulou of Kyrenia and Nicosia, Cyprus. The couple plans a May 1996 wedding in Mattapoisett, followed by a July 1996 ceremony in Nicosia.

Mr. Peccini is a 1988 graduate of Old Rochester Regional High School where he served as senior class president. He was an AFS exchange student in Trento, Italy for the 1988-1989 school year. Mr. Peccini received his Bachelor's Degree in Italian in May 1993 from Rutgers University where he was elected as a member into Phi Beta Kappa. He is also a member of the Phi Delta Theta fraternity.

Ms. Xenopoulou received her Bachelor's Degree in Economics and Italian from Rutgers University in May 1991. She is a lecturer of Elementary Italian at Rutgers University.

The couple will receive their Master's Degrees in Italian from Rutgers University in May. They plan to pursue a Ph.D. in Higher Education

# Cost Vs Value

In today's Economy, stretching the family budget is a reality we all have to deal with. Pick up the paper or turn on the news and see how many articles are devoted to the subject of "comparison shopping"; the art of weighing cost vs. value. Everybody does it; consciously or unconsciously.

When you buy a pair of jeans you mentally weigh the cost vs. the fit, style, appearance, material, durability, etc. and make a judgement on the best value.

## What does this have to do with Oil and Heating Companies?

Well, we all know what to look for and expect from clothing. We can view the item, try it on, test the feel of it, before we actually buy it. With your Oil and Heating Company you are buying a commitment. A promise to be there and assure you an uninterrupted supply of heat through the winter months by providing fuel oil, repairs, and installations.

### So how can you determine if you're getting good value for your money?

- A company that's been doing business in this area and has a proven track record.
- A company that has new and modern trucks to deliver you fuel when you need it.
- A company that has licensed and trained personnel.
- A company that responds to your questions and problems.
- A company with a good, fair price for their fuel.

However, fuel deliveries are only part of the picture. Remember you are buying their commitment to be there when you need them. When it's 30 degrees outside and your heat is not working, you need a company that you can trust to follow through on this commitment. A company that responds with subcontractors; company that gives you names and phone numbers of independent services companies; or worse yet, one that doesn't supply service at all has failed to live up to their commitment. This type of company is concerned only with selling you fuel. While there is nothing wrong with this, you wouldn't go to a fabric shop and compare the price of the fabric vs. the price of the jeans.

Does the company have a fully licensed service department in house? One capable of repairing your heating system or installing a new one without the time consuming lapse of calling in a sub-contractor? Because when it's 30 degrees outside, and you have no heat, a one, two, or three day wait can mean the difference between a small repair bill or frozen plumbing.

### FRAME OF REFERENCE

You thought your house was worth \$150,000 but your neighbor just sold his very similar house for \$200,000. How can you determine if your house is worth a lot more than you think it is or whether the higher sale was just a matter of luck?

Our agency makes a practice of charting actual sale prices in the area. This information, which we call "comparable sales data," is used as a general frame of reference. To this base would be added specific property related criteria to arrive at a reasonable market value for a particular home.

In addition to pure

numbers, emotion pays a role in a buyer's decision. That, and other factors, such as supply and demand, may lead a buyer to pay more for a home than the land, bricks and mortar appear to be worth.

If you visit our office, we can share our comparable sales data with you and give you a good idea of the current market value of your home.

Call Bob at Fisher & Rocha, Inc., 758-6738 or stop by our office at 17 Fairhaven Road, Mattapoisett. We're happy to help you!

## LWV Lasagna Dinner

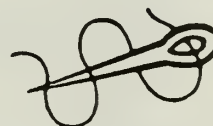

The Marion/Mattapoisett/Rochester League of Women Voters (LWV) is pleased to announce that Margaret D. Xifaras will be the speaker at the Community Lasagna Dinner on Thursday, February 16. New Bedford lawyer and Marion resident, "MarDee" is a longtime LWV member who has been active in politics and areas of governmental policy on the state level, including running Representative Gerry Studds' first campaign for Congress. She will speak on "Opportunities for Women" and how volunteer work provides an excellent training ground for future success in the professions, business, or politics.

Dinner starts at 6:00 pm on Thursday, February 16 and will take place at St. Gabriel's Parish House on South Street in Marion. Everyone is invited, including teenagers. There is a \$6 charge to cover expenses. As this is a popular event, the public is urged to make reservations early. Please call Gene Castillo (295-5512) or Alice Piehler (748-2276) and be sure to indicate your preference for regular or vegetable lasagna.

of his status as a charter member of the Punxsutawney Groundhog Club, Dave Hunter was able to concentrate and succeeded in conjuring up a 374 to carry Beaton Cranberry to a two-point victory over a sluggish Hartley Sawmill. Robbie Dexter, the elder statesman for the mill men, was tops with 416.

A 454 was all that Ben Towns needed to find buried treasure and two points for his Bowlmor Team. Ed DeMello (367) and the Bowling Stones ended up on the short side in this match. Boulevard Funeral Home with Dave Belongs' 407 bid farewell to Sturtevant and Hook and quietly slipped away with two points. John Hayes turned out a 402 for the Sturtevents.

### Coast Guard AIM Program

If you are in your Junior year of high school and attend one of the schools in the tri-town area, the following message is for you:

Are you thinking about a college education? Have you thought about a career as an officer in the United States Coast Guard?

If you have answered "yes" to these questions, then you may be eligible to take advantage of a very unique opportunity. The Coast Guard Academy offers qualifying young men and women the opportunity to spend a week at the academy during the summer of your junior year.

About 200 young adults will make the trip this year. They will sample every aspect of cadet life — from sailing academy sloops to marching in close order drill between classes ... lectures by department heads, movies, athletics, and instruction in seamanship. The five-day program offers the young student the opportunity to learn firsthand the life and responsibilities of a career officer in the Coast Guard.

The Marion Flotilla of the U.S. Coast Guard Auxiliary sponsors the Academy Introduction Mission (AIM) Program and is accepting applications now through February 28. For more information about a career in the U.S. Coast Guard,

### BBAC to Present Visionary Award

The Buzzards Bay Action Committee (BBAC) will present the fourth annual "Visionary Award" representing the highest level of achievement by an individual for outstanding and continued commitment to preserve and protect Buzzards Bay.

The presentation will be held in the Selectmen's chambers in the Marion Town House on 2 Spring Street in Marion at 2:30 pm on February 10.

Former winners of this prestigious award, also known as the "Golden Lobster" because of its unique gold plated lobster, include: Congressman Gerry E. Studds from Cohasset, State Representative Thomas S. Cahir from Bourne, and last year's recipient Senator Edward M. Kennedy from Hyannis.

This year's winner has been involved at all levels — local, state and federal — in fighting to protect our Bay from pollution. Over the last ten years, this individual has done more perhaps than any single individual to protect our fragile estuary, that he so dearly loves, from further deterioration and has continued to fight for its restoration.

Please join us in honoring this year's winner at the ceremony in Marion.

ORR has been part of the AFS for 34 years. They recently welcomed home two students — Julie Gerrior from Australia and Lindsay O'Connell from Argentina. At ORR the program is supported by the AFS Club, which numbers over 70 student members. The adult AFS Chapter also helps fund and support the exchange program; it offers scholarship aid to ORR students who would like to go abroad. Co-Chairs are Patricia Lemire and Marlene Souza of Marion. One of their fund-raising projects is the annual holiday sale of fruit in the district. They have

The club members also take part in a short term exchange with students from another part of this country. In March, ORR students will go to Lampeter, PA for five days. They will live with AFS host families, attend school with their host brothers and sisters, and visit local places of interest. In return, students from Lampeter will visit the ORR district in early April, living with AFS host families. They will visit Plymouth, Newport and Boston and join in ORR students' recreational activities.

Each spring, the AFS Chapter looks for families to host next year's AFS students. Interested families may contact Richard Ellis or Claire Flynn at the high school (758-0089). At the same time, Jolanda and Brian are available to speak to clubs or civic organizations.

## Mattapoisett Historical Museum

### Antiques Lecture

On Sunday afternoon, February 26 at 2:00 pm, Henry Callan, an antiques expert and lecturer, will speak at the Mattapoisett Museum and Carriage House, 5 Church Street in Mattapoisett.

Mr. Callan, known to many in the area as an avid enthusiast of antique collecting, is a licensed antiques dealer as well as a collector. Mr. Callan will speak on "An Appreciation of American Folk Art," which will include discussion of paintings and watercolors, quilts and coverlets, weather vanes, decoys, samplers, and decorated furniture — many of which you probably have in your own home. He will discuss the spirit behind the art, illustrating with colored slides. He will also bring a display of items from his own collection.

The audience is invited to bring antique items for a free appraisal. This program is open to the general public as well as Historical Society members. There will be a \$2 admission charge for non-members.

### Upcoming Events

## Mattapoisett Public Library

### Explore With Clay

On Wednesday, February 22 from 1:30 to 2:30 pm, local resident Muriel Tice will present a make and take workshop on the exploration of clay. The children will make objects of low-fired clay and decorate them with special colored slips.

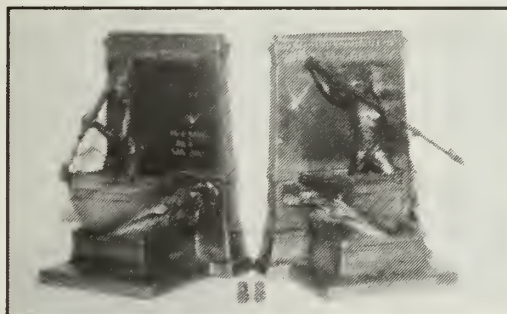

Children in Grades 1 - 6 may be registered for this activity by calling 758-4171, or visiting the

library at 7 Barstow Street. Program attendance is limited to 20 in the Library's Children's Room, so pre-registration for this program is a must.

### READaTHON for Multiple Sclerosis

From now through March 17, children in Mattapoisett can join the READaTHON Reading Program for Multiple Sclerosis. There are thousands of children across Massachusetts who will be reading this year for the needs of others along with members of the READaTHON Super Team. Members include the Bruins' Adam Oates, Red Sox pitcher and READaTHON alumnus Aaron Sele, hosts Jenn and Tyrone of the Fox 25 Kids Club,

## Tri-Town Phone Book Advertising

The local League of Women Voters (LWV), which covers the tri-town area and beyond, wants all local businesses to know that there is still time to send their advertisement to the Marion/Mattapoisett/Rochester Telephone Directory ("The Blue Book"), which the LWV prepares and publishes. This directory is mailed free to every postal patron in the three towns and all the schools and town halls are supplied with extra free copies. It has become a local tradition.

Last year's advertisers have all had their renewal forms mailed to them. However, if a form is irretrievably lost in a sea of holiday wrappings and January paperwork, a phone call to 748-2542 will alert the editors, John and Claire Russell, to send a new one.

There is still room and time for new advertisers. The book provides constant local exposure and rates are reasonable. Anyone
